

Attorney Docket No.: 00CON159P-C1

REMARKS

Claims 18-33 and 58-66 are pending in the present application. In the Office Action dated December 15, 2004, the Examiner has withdrawn all previous substantive claim rejections and has apparently indicated that the claims are in condition for allowance except for the rejection of all pending claims under the judicially created doctrine of obviousness-type double patenting as being unpatentable over claims 1-16 of U.S. Patent No. 6,611,055.

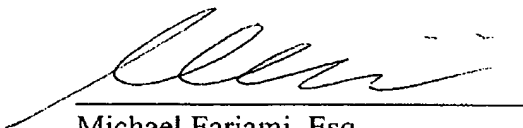

To overcome the Examiner's rejection under the judicially created doctrine of obviousness-type double patenting, Applicant hereby files a terminal disclaimer directed to the prior patent number 6,611,055. As such, the Examiner's double patenting rejection is overcome, and Applicant respectfully requests an early Notice of Allowance directed to all claims 18-33 and 58-66 pending in the present application.
